Nasteho jelle hassan

has successfully completed the online Specialization

IELTS Preparation

In the IELTS Preparation specialization, learners developed their skills in four skill areas -- writing, listening, speaking, and reading -- in order to perform their best on the IELTS exam. The specialization focused on the format of the exam, the types of questions on the test, and how to best approach each type of question so that learners can enter the exam knowing what to expect and how to reach their target scores.

Helen Nam
Instructor
International Programs

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
